## The Feelings Song

### Chorus:

So Many different Feelings  
Happy and Sad  
So Many different Feelings  
Excited and Mad

But it's alright, they're all ok

### Verse 1:

Sometimes I'm happy so I clap  
my hands  
Sometimes I'm happy so I do a  
little dance

Sometimes I'm sad and I need  
some space  
Sometimes I'm sad and I need a  
friendly face

### Chorus:

So Many different Feelings  
Happy and Sad  
So Many different Feelings  
Excited and Mad

But it's alright, they're all ok

### Verse 2:

Sometimes I'm excited and I  
move all around  
Sometimes I'm excited and I  
jump up and down

Sometimes I'm angry and I need  
to go for a walk  
Sometimes I'm mad and I might  
need to talk

### Chorus:

So Many different Feelings  
Happy and Sad  
So Many different Feelings  
Excited and Mad

But it's alright, they're all ok

Happy and Sad  
Excited and Mad  
But it's alright, they're all ok  
To have so many different  
feelings
